Dear _____,

I love my job! I work one night a year. I hide Easter eggs. I leave baskets for children. I listen to songs about me!

I have a friend who wants my job. She is a hen. Hens cannot hop. They have wings. They would spill the baskets. Lily Hen does not care. She wants to be the Easter Hen. She wants you to sing a song like "Here comes Lily Feathertail, clucking down the chicken trail. Here a chick, there a chick, Easter's on its way."

I do not want to give her my job. What should I do? How can Lily help me without taking my job?

Yours truly,
The Easter Bunny
