Jenna couldn't believe it. She made her first app and posted it to the app store. She texted her friend. "Can you download my new app?" she asked. She had worked on it during the entire summer, including at her coding camp.

Her friend did download it, and before the end of the day she had ten downloads. She was one happy camper!

"Wake up! Wake up!" called her brother. "Your app is up to a hundred downloads!"

She woke up fast. "Wow," she replied. "Another zero for my download count."

"Huh?" asked her confused brother.

"It went from ten to a hundred, silly."

Jenna got her phone, but of course she had forgotten to plug it in, so it was out of power. So she went back to sleep. And guess what? She dreamt of the downloads increasing! In her dream there were two more zeros added to the end of the number of downloads.

How many downloads was she up to in her dream?
