The flower shop sold 10 bunches of flowers on Thursday, 20 bunches of flowers on Friday, and 30 bunches of flowers on Saturday. The days leading up to Mother's Day were very busy at the flower shop.

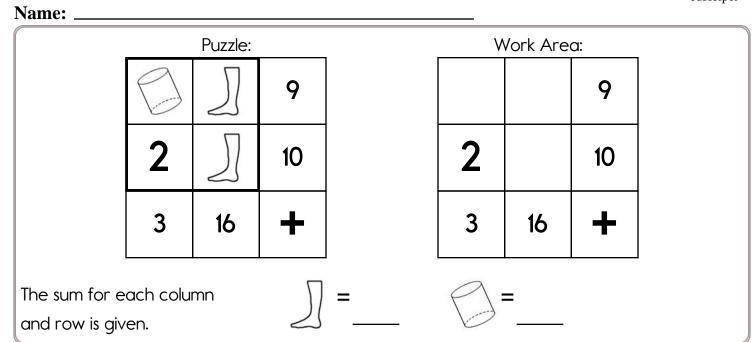

On which day were the most bunches of flowers sold?

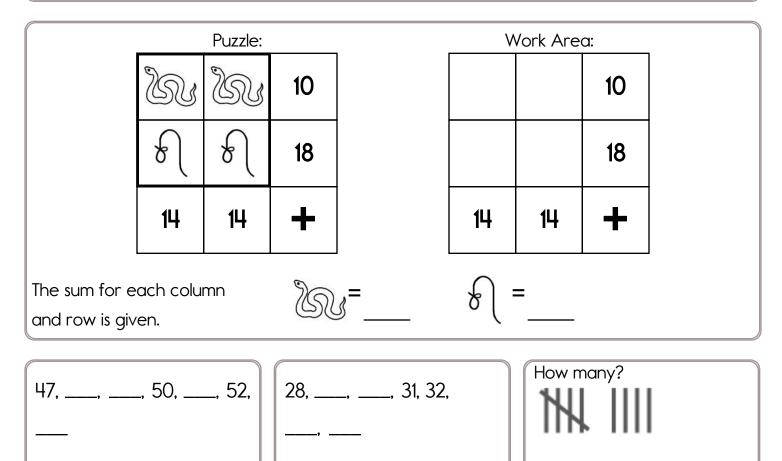

On which day were the least number of bunches sold?

How many bunches of flowers were sold in all on Thursday, Friday, and Saturday?

Sunday was a busy day at the flower shop. They sold 31 more bunches of flowers than they sold on Thursday. And, if it helps, it was also 11 more than they sold on Saturday. How many flowers were sold on Sunday?
