Name: _____

The flower shop sold 10 bunches of flowers on Thursday, 20 bunches of flowers on Friday, and 30 bunches of flowers on Saturday. The days leading up to Mother's Day were very busy at the flower shop.

On which day were the most bunches of flowers sold?

On which day were the least number of bunches sold?

How many bunches of flowers were sold in all on Thursday, Friday, and Saturday?

Sunday was a busy day at the flower shop. They sold 31 more bunches of flowers than they sold on Thursday. And, if it helps, it was also 11 more than they sold on Saturday. How many flowers were sold on Sunday?

Name: _____

Cross off the letter that does NOT belong.

S, A, E, I, M, Q, U, Y

Why does _____ not belong in the pattern?

Cross off the letter that does NOT belong.

G, I, M, K, P, M, S, O, V, Q, Y

Why does _____ not belong in the pattern?

Billy was having the coolest birthday party. "Thanks for inviting me," said Jen to Billy. "Wait, wait!" yelled Billy to Jen who was leaving. "Before you leave, you have to play the crane game for your goodie bag."

Jen loved the crane. Before she knew it, Jason and Rachel were behind her waiting to play.

"I won! I won!" said Jen as she went to count her candy. She won 9 pieces of candy.

"I won! I won!" said Jason. He won 5 pieces.

"I won! I won!" said Rachel. She only won 4 pieces of candy.

Jen could see a tear almost start to come out of Rachel's eyes. Before even thinking, she said, "Hey Rachel and Jason, want to share our candy evenly?"

Everyone agreed! Rachel was so happy. How many pieces of candy did Rachel end up with?
