"Go Justin!" yelled Sarah, the birthday girl.

Whack! He got 7 pieces of candy.

Amy went next. Whack! She got 11 pieces of candy. "Wow!" said Sarah.

Sarah went next. Whack! She missed. "Sorry," said Justin.

Even though Justin was sincere, a tear came out. "Hey," said Amy. "We can share our candy evenly with you."

You would not believe how big Sarah's smile was. Sarah, Justin, and Amy shared their candy equally.

And now for the BIG question. How many pieces of candy did the birthday girl get?
