The Sentence Bandits are on the run again!

Quick, stop these runaway sentences by inserting punctuation in the right spots. Make these sentences grammar-abiding citizens by correctly adding periods, question marks, and exclamation points! Then rewrite your reformed paragraph in the blanks below. Remember to capitalize the first word of each sentence.

Robert the rebel robot wants to have his own business his owners don't think he can do it because he is just a robot and can't do things without them. What should Robert do to solve his dilemma he decided to set up his own lemonade stand in the front yard his owners were so surprised they tasted some of the lemonade since it was so horrible they offered to help Robert with the lemonade recipe Robert was relieved. His customers even asked him, "What is your recipe it is so good I want to make it at home."
